

Name of Business, LLC

**Partnership Agreement Resolution**

Dated: 6/30/20

Partners: Kathleen Hudson, Jimmy Durante

Summary

Operating a business during a pandemic requires extraordinary measures to protect our employees and customers. We have met and discussed this issue and the measures to adopt during this pandemic. In addition to following the guidelines provided (mandated) by the state of California, we have also agreed to the following resolutions.

Resolved

We will ask each customer to wear a mask while inside our business premises. Those unable or unwilling to do so will be required to meeting at the table we set up in front of our building. There will be no exceptions.

Resolved

We agree to post this policy on our website.

Resolved

We agree to post this policy on the doors at every point of entry of our business.

Resolved

We agree to keep this policy in place until the State of California makes an official declaration ending all restrictions on our type of business.

I have read and agree to the terms of this resolution:
